

HONG KONG SOCIETY OF INTERVENTIONAL &
THERAPEUTIC NEURORADIOLOGY

20th Annual Scientific Meeting

Innovations of Neuro-Interventional Radiology

5–6 December 2026 • The Orchid Room, Kowloon Shangri-La Hotel, Hong Kong

PRELIMINARY PROGRAMME

Day 1 / Saturday, 5 December 2026

Time	Programme / topic	Presenter / format
09:00–09:25	Registration	
09:25–09:30	Opening remarks	President / Chair
09:30–10:00	Reducing X-ray exposure in Neurovascular Procedure	Prof. Laurent Spelle
10:00–10:30	Trans-radial approach for the treatment of Cerebral AVM	Prof. Yin Ben Feng
10:30–10:35	Q&A session	
10:35–10:50	Coffee Break	
10:50–11:20	3D-guided Direct Puncture Embolization of Intracranial Tumours	Prof. Laurent Spelle
11:20–11:50	Flow diversion in distal circulation	Prof. Anil Gopinathan
11:50–12:20	My clinical experience with Lattice and Mirror technology	Prof. Xuan Chen
12:20–12:30	Q&A session	
12:30–13:50	Lunch	
13:50–14:35	Prions, Antibiotics and Cerebral Waste	Prof. Ferdinand Hui (via Zoom) Presentation and Q&A
14:35–15:05	Arteriovenous Malformation: Venous Approach	Prof. Laurent Spelle
15:05–15:15	Q&A session	
15:15–15:30	Coffee Break	
15:30–16:15	- Safer Aneurysm Treatment Through Pre-Procedural Simulation and Planning - From the Scene to the Right Stroke Centre: Video-Telestroke Triage and Direct Transport	Prof. Sandor Nardai (via Zoom) Presentation and Q&A
16:15–17:00	Endovascular Treatment of cerebral aneurysms in 2026	Dr. Yan Lin Li (via Zoom) Presentation and Q&A
17:00–17:30	Application of OCT in Neuro-intervention	Prof. Hanqiang Jiang
	Day 1 Wrap up	

HONG KONG SOCIETY OF INTERVENTIONAL &
THERAPEUTIC NEURORADIOLOGY

20th Annual Scientific Meeting

Innovations of Neuro-Interventional Radiology

5–6 December 2026 • Kowloon Shangri-La Hotel, Hong Kong

PRELIMINARY PROGRAMME

Day 2 / Sunday, 6 December 2026

Time	Programme / topic	Presenter / format
09:00–09:30	Disaster management: Dealing with misbehaving stents, coils and embolics	Prof. Anil Gopinathan
09:30–10:00	Should we treat asymptomatic unruptured intracranial aneurysm	Prof. Xuan Chen
10:00–11:00	Proffered papers (oral)	
11:00–11:15	Coffee Break	
11:15–11:45	What are the Challenges of intra-saccular devices in real-world clinical practice?	Prof. Laurent Spelle
11:45–12:15	Technical consideration of safer interventional Treatment of ICAS	Prof. Yin Ben Feng
12:15–12:20	Q&A session	
12:20–12:45	Proffered Paper Awards Presentation and Closing remarks	President & ASM Chair
